

The Holy Spirit in our lives teaches me to yield my will entirely to the will of the Father. He teaches me to open my ears to wait for what my Father wants to say and teach me every day

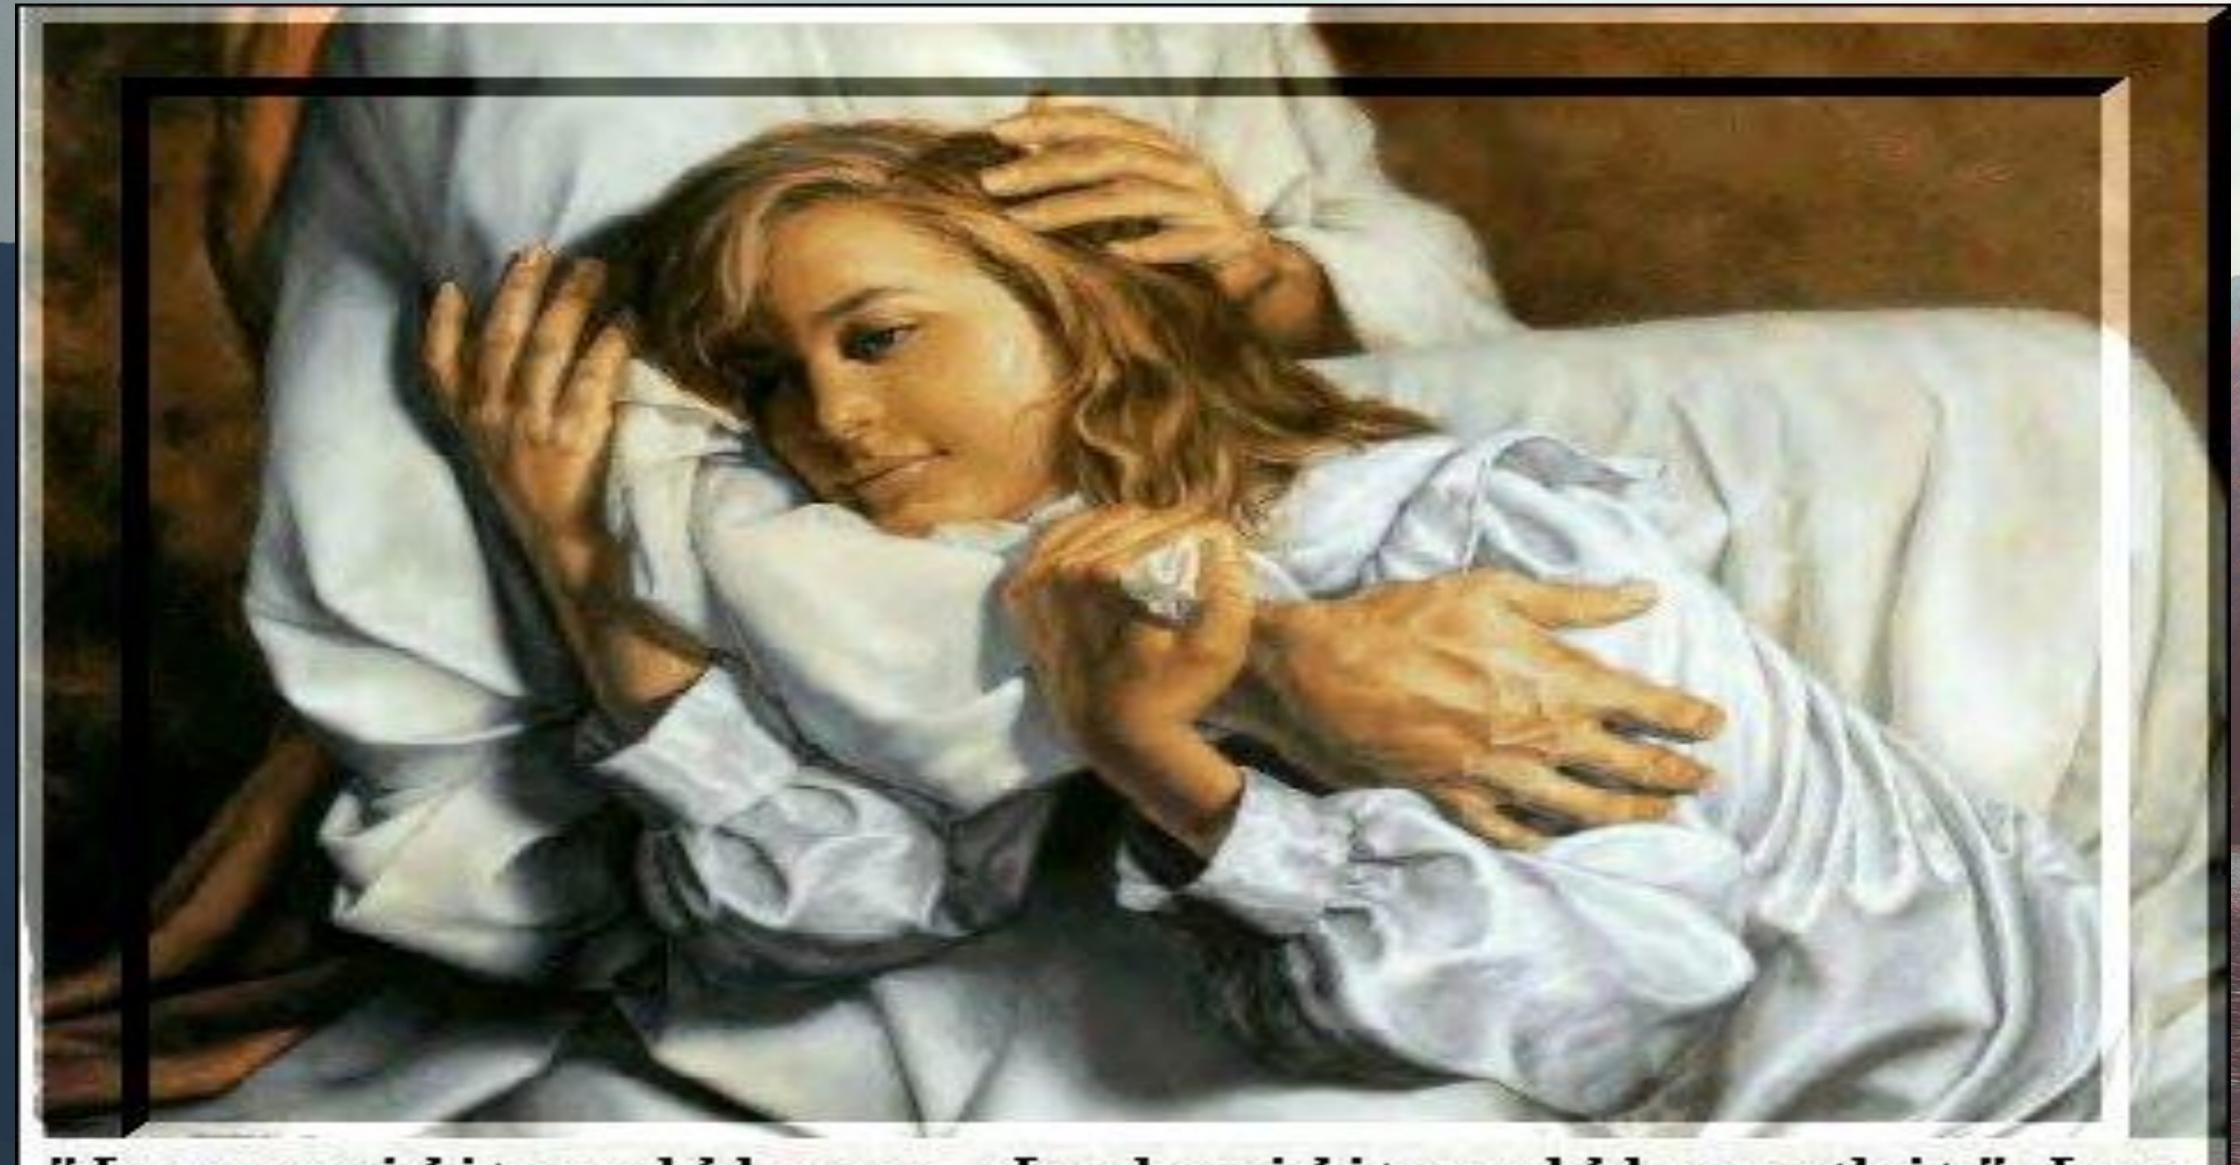

The desperate need today is not for a greater number of intelligent people, or gifted people, but for deep people.

Just trust me.

If you want to have deep, personal, satisfying peace of mind in heart and soul, you've got to surrender control of your life totally to God.

Evidence of a surrendered life is always obedience. When God says, "Do it!" I do it. I don't care if I don't understand it, if anybody else is doing it, if it's possible or not, if it's hard or easy. I just do it.

When you listen to God's Word and follow his direction, the result is always the same:

Peace

Today, you may be in an uncontrollable circumstance. You may be married to an unchangeable person. You may be experiencing an unexplainable problem. The good news is you can have the peace of God in your life.

How do you do make peace with God?

By surrendering your entire life in faith to Jesus Christ.

"Since we have been made right in God's sight by faith, we have peace with God because of what Jesus Christ our Lord has done for us" (Romans 5:1).

Tired of being at war with God?

The single greatest source of stress in your life is being in control of your life?

Worry, guilt, bitterness, resentment, anxiety, fear, fatigue, depression, and despair.

Putting Jesus Christ first in your life

Being fully surrendered to whatever he wants produces:

peace power strength wisdom purpose meaning eternal life significance and joy

"Dear Father, you know how I have resented the problems in my life, and you know how I have resisted the things that have caused me pain that I can't change. You know that I've asked you many times for an explanation that has never come.

Today, I want to stop fighting you over things I don't understand. Forgive me. I want to begin the path of personal peace. So I ask you for help.

Help me to change the things that I can, and help me to accept the things that cannot be changed.

Help me, Jesus, to trust in your loving care when things don't make sense. Help me to trust that you are a good God and that you have my best interest at heart.

Today, I make an unconditional surrender of all my life to your loving care and control. Please give me your strength and wisdom and peace and purpose through Jesus Christ. Amen."
